

CL Smith Elementary

Student Daily Health Screening Form (11.5.20)

Students need to complete the Health Screening Form prior to entering the classroom.

A no touch thermometer is available.

To access this form using the QR Code, turn your device's camera on and hold over the image below. Follow the prompts and submit the form.

This form aligns with the Daily Home Screening Tool for Students from the CDC and San Luis Obispo Public Health guidance.

Thank you for your diligence in safety practices.
